I. PRINCIPAL'S GREETINGS:

Greetings to you all parents, guardians, and prospective students. We welcome all those who desire to do their studies in this College. Please be assured that the College's academic and administrative staff team will do our best to train the students in the knowledge of God and Christian values. We will work to impart integrative and wholesome knowledge in their subject matters, and train them to be fit for life and service. We will be in need of your good wishes, support and co-operation to make this institution successful in achieving its aims and objectives. May the blessings of God accompany all those who enter the portals of this institution of higher education established and managed by the Church.

II. ORIGIN OF THE COLLEGE:

The idea of establishing a College under the Synod, where secular subjects would be taught while imparting Christian values and worldview, was brought in the form of Synod's agenda item by Hmarchhak Presbytery in 1995. After careful considerations, the Synod of 1996 declined the Presbytery's proposal. Again in 2001, the same Hmarchhak Presbytery raised the same issue at the Synod, which accepted the proposal, and the Synod Executive Committee (SEC) was entrusted to do a thorough study and come back with its report and recommendations on the question. The SEC formed a Study Team of ten members in 2002, which took its time in carefully studying the pros and cons of establishment of such an institution. In 2010 three Presbyteries viz. Aizawl West, Chhimphei and Bethel, came up afresh with the same proposal, Bethel Presbytery in its resolution noting that the Study Team's progress needed to be expedited.

The Synod resolved that the issue be given more importance by the SEC. When the Study Team's Report was taken up in 2011 Synod, the idea was shelved for the time as the Synod felt establishing a college was yet beyond the financial capacity of the Synod. In 2017, the land at Tanhril area having been acquired by the Synod for some good purpose, the Aizawl West 1, Aizawl West 2 and Champhai North Presbyteries separately again brought the issue to the Synod, thinking that the land at Tanhril could be suitably utilized for the College campus. The Synod then passed the resolution of starting the Mizoram Christian College. The 2018 Synod further resolved that the Church's land at Tanhril shall be used for the College campus, and the adjoining private lands should be purchased to make the area sufficiently large enough for a college campus.

III. THE CAMPUS:

The MCC Campus at Tanhril is 39891 square metres in area, suitably located on the eastern side of the main road to the MZU campus, which is about one kilometer further down. The land is well demarcated by natural boundaries, thus making it an ideal place for maintaining academic atmosphere. The Main Academic Block is planned to be constructed at the top of a hillock of the Campus. There is enough space on the lower sides of the hill for locating various academic buildings for different streams and departments, including Hostels for students, staff housing and other facilities. Master Plan of the Campus and Architectural plan with estimated cost for the construction of Main Academic Block have been approved by the Mizoram Synod. As of now, the college is temporarily run in one of the buildings within the campus of the Synod Higher Secondary School, Mission Vengthlang, Aizawl, sharing the facilities of the School. One private building in Mission Vengthlang is rented for Commerce and Management Block.

IV. VISION AND MISSION:

- 1) The Synod of the Mizoram Presbyterian Church will manage and conduct college education, with the conviction that, following in the footsteps of the Lord Jesus Christ, education is one important aspect of Gospel mission.

The youth, so trained in this college will acquire knowledge and skills, that will prepare them for competitive examinations of various kinds and for any jobs, and become persons fit and mature to be of service to the Church.
- 4) The Synod understands education as making a whole person- body, mind and soul, fit and mature. It considers as greatly important and useful, to care for and guide the youth, who are on their life's journeys, with the instrumentality of college education.

V. AIMS AND OBJECTIVES:

- 1) Imparting education to equip the youth with knowledge, skills and Christian values.
